ICE CART FEATURES

THREE-SIDED, tilt back design keeps bags of ice securely in place.

Can hold up to 22-20 lb bags.

ONE PIECE tray design prevents ice spills and water dripping on customers' floors.

USES ULTRA LIGHT non-marking, no-flat wheels.

FRONT SWIVEL casters allow you to maneuver in tight places and move over thresholds with ease.

SELECT EITHER Parking Brake or "Dead Man" brake system.

TWO DIFFERENT sizes available.

CAPACITY: 500 lb.

EXCLUSIVE 2-YEAR WARRANTY!

BRAKE SYSTEMS & OPTIONAL LINER

PARKING BRAKE SYSTEM

- Parking Brake locks both rear wheels for safe loading and unloading.
- Non-skid pedal is center-line mounted for easy activation with either foot.
- Simple design is virtually maintenance free.

DEAD MAN BRAKE SYSTEM

- “Dead man” brake system locks both rear wheels when the driver releases the lever.
- Cable actuated brakes resist damage.
- Ergonomic handle lets driver release brakes from anywhere on the handle.

OPTIONAL HEAVY DUTY LINER

- Keeps cold air in and warm air out while transporting into stores.
- Can be silk screened with your company logo for easy brand identification.
- Aids in the reduction of ice spills and water dripping onto customers’ floors.
